

Sale Name: Larry Hagedorn Estate - Machinery

LOT 15 - 2011 Volkswagon Routan

Description

VIN: 2V4RW3DG0BR670080 Larry had this for the hired man to drive on farm plates. 210,647 miles. Does start, run and drive, but it does have an intermittent "clunk" in the front end somewhere when driving. Rotors are rusty and hang a bit. Engine sounds good. Someone added a master shut-off for the battery (must have had an electric drain). It is what it is. As-Is.

Quantity: 1
