Description

A lady bought this at one of our "competitors" auctions a couple of years ago and her husband wouldn't put them in. She asked us to sell them. Here is what we have. You figure out how to lay them out. Base Cabinets: 36" corner, 36" Sink, 18" 3-drawer, 15", 24", 30", 24" Pantry. 42" Wall cupboards: 24" corner, 15", 18", 24", 30", 36". Also a 24" H Wall Cupboard 30"W. Good plywood cupboards (not chipboard) with soft closing drawers. A couple minor scuffs from being moved, but otherwise brand new.
