## Description

Auto Dry - AutoDry monitors the internal air temperature to determine the ideal drying time, protecting your garments from overdrying. Powerful venting & Flexible installation - Powerful airflow offers long-lasting performance from lint build-up and offers venting solutions up to 120 feet for greater installation flexibility Large Diffuser for Even Drying - A large internal heat diffuser allows for warm air to evenly spread throughout your clothes during the cycle, making this the ideal dryer for large loads and bulky items. Durable Aluminized Drum - This durable, long-lasting design resists corrosion and optimizes drying performance.

This is a liquidated product. Any pre-existing retail, wholesale or manufacturer warranties will not transfer with the sale of this Product unless expressly stated otherwise.
